 - a. All non-registered "Filing Fee" status students of the University of California campuses at Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara and Santa Cruz, who are completing work under the auspices of the University of California, as determined by the campus but are not attending classes.  - b. Domestic Partner: The individual designated as an Insured Student's Domestic Partner under one of the following methods: (i) registration of the partnership with the State of California; (ii) establishment of a same-sex legal union, other than marriage, formed in another jurisdiction that is substantially equivalent to a State of California-registered domestic partnership; or (iii) filing of a Declaration of Domestic Partnership form with the University. An insured student's opposite-sex Domestic Partner will be eligible for coverage only if one or both partners are age 62 or over and eligible for Social Security benefits based on age.
 - c. Child: The Insured Student's Child(ren) as follows:
 - Biological Child under the age of 26.
 - Stepchild: a stepchild under the age of 26 is a Dependents as of the date the Insured Student marries the Child's parent.

 - Foster Child: A foster Child under the age of 18 is a Dependent from the moment of placement with the Insured Student as certified by the agency making the placement. In certain circumstances, the foster Child age limit may be extended in accordance with the provision for a non-minor dependent, as defined in the California Welfare and Institutions Code Section 11400 (v).
 - A Child for whom the Insured Student is legally required to provide health insurance in accordance with an administrative or court order, provided that the Child otherwise meets UC SHIP eligibility requirements.
 - Dependent Adult Child: A Child who is 26 years of age or older and: (i) was covered under the Prior Plan, or has six or more months of creditable coverage, (ii) is chiefly dependent on the Student, Spouse or Domestic Partner for support and maintenance, and (iii) is incapable of self-sustaining employment due to a physical or mental condition. A Physician must certify in writing that the Child is incapable of self-sustaining employment due to a physical or mental condition. The University may request proof of these conditions in order to continue coverage. The University must receive the certification, at no expense to the University, within 60 days of the date the Student receives the request. The University may request proof of continuing dependency and that a physical or mental condition still exists, but, not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the Student, Spouse or Domestic Partner for support and maintenance due to a continuing physical or mental condition. A Child is considered chiefly dependent for support and maintenance if he or she qualifies as a Dependent for federal income tax purposes.

- g. For a Child covered under a court order, a copy of the document from the court.

To obtain coverage for children, the Plan may require you to give Academic Health Plans a copy of any legal documents awarding guardianship of such child(ren) to you. This must be provided or translated into English.

Periods of Coverage

Dates of coverage vary by the campus and program in which the student is enrolled. Please contact the student health and counseling services for information on coverage periods.

Enrollment

We do not require written applications from registered students. The University of California will maintain records of all students registered in each academic semester/quarter and, except for those students who provide proof that they have other medical coverage that meets criteria established by the University, all registered students will be enrolled for coverage under this Plan in each academic semester/quarter for which they are registered. Please see your campus website for the coverage periods.

Students who involuntarily lose their other health coverage during the Coverage Period must notify the student health and counseling services with an official written letter of termination from the previous health insurance carrier. Students will be enrolled in the Plan as of the date of their involuntarily loss of other coverage if they notify the student health and counseling services within 31 days of the loss of their coverage. If the student does not notify the student health and counseling services within the 31 days, coverage will be effective on the date the student pays the full premium. The premium is not pro-rated for enrollment occurring after the start of a Coverage Period.

Non-registered students who enroll on a voluntary basis, and dependents of students must submit an enrollment application for each term of coverage. Call **AHP at 1-855-427-3206, Monday through Friday, 8:30 a.m. to 5:00 p.m. PST for enrollment information.** Enrollment applications must be received within the enrollment period dates for the term of coverage, which vary by Coverage Period. Enrollment will not be continued to the next Coverage Period unless a new application is received.

Dependents of students may be enrolled, outside of an enrollment period for a particular Coverage Period, within 31 calendar days of the following events:

1. For Spouse, the date of issuance of the marriage certificate.
2. For Domestic Partner, the date of the Declaration of Domestic Partnership issued by the State of California, or same-sex legal union other than marriage formed in another jurisdiction, or the date the completed Declaration of Domestic Partnership form issued by the University is received by the student health and counseling services.
3. For biological Child, the date of birth.
4. For adopted or foster Child, the date of placement with the student or Domestic Partner
5. For any Dependent, the date of loss of other coverage. An official letter of termination from the insurance carrier must be provided at the time of enrollment in UC SHIP.

Non-registered students, and dependents enroll by contacting Academic Health Plans at 1-855-427-3206, Monday through Friday, 8:30 a.m. to 5:00 p.m. PST.

How Coverage Ends

For Students, coverage ends as provided below:

1. If the Plan terminates, the student's coverage ends at the same time. This Plan may be canceled or changed at any time without notice. If the Plan terminates or changes, an Insured Student will remain covered for claims incurred but not filed or paid prior to Plan termination or change.
2. If the Plan no longer provides coverage for the class of students to which an Insured Student belongs, the student's coverage ends on the Effective Date of that change.

3. If the student graduates from the University, the student's coverage continues through the last day of the Coverage Period during which the student graduates from the University.
4. If the student withdraws or is dismissed from the University, whether or not coverage will be continued after the date of the withdrawal or dismissal will be determined by campus policy. Contact the student health and counseling services for more information.
5. Enrollment in the Plan may be terminated for the reasons listed below. The student shall be notified in writing of the termination. Termination shall be effective no less than 30 days following the date of the written notice:
 - a. In regard to eligibility for UC SHIP, you knowingly provide material information that is false, or misrepresents information on any document or fail to notify the Plan Administrator of changes in your or your dependents' status.
 - b. You knowingly permit the use of your plan identification card by someone other than yourself or your dependents to obtain services; or
 - c. You knowingly obtain or attempt to obtain services under the Plan by means of false, materially misleading, or fraudulent information, acts or omissions.

Important: If a marriage or domestic partnership terminates, or if a covered Child loses dependent child status, the student must give or send Academic Health Plans written notice of the termination and loss of eligibility status. Coverage for a former Spouse or Domestic Partner, or dependent Child, if any, ends according to the "Eligible Status" provisions. If we suffer a loss because the student fails to notify AHP Insurance Services of the termination of their marriage or domestic partnership, or of the loss of a Child's dependent status, we may seek recovery of premiums from the student for any period of ineligible coverage. Failure to provide written notice to Academic Health Plans will not delay or prevent termination of coverage for the Spouse, Domestic Partner or Child. If the student notifies Academic Health Plans in writing to cancel coverage for a former Spouse, Domestic Partner or Child, if any, immediately upon termination of the student's marriage, domestic partnership or the Child's loss of dependent child status, such notice will be considered in compliance with the requirements of this provision.

Contact Academic Health Plans at 1-855-427-3206, Monday through Friday, 8:30 a.m. to 5:00 p.m. PST.

The Director of UC SHIP is responsible for the final decision on termination of enrollment in the Plan.

For Dependents, coverage ends when the student's coverage ends or the Dependent no longer meets the Dependent eligibility requirements, whichever occurs first.

Enrollment in the Plan may not be terminated on the basis of sex, race, color, religion, sexual orientation, ancestry, national origin, physical disability or disease status.

Types of Providers

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS VISION CARE MAY BE OBTAINED. THE MEANINGS OF WORDS AND PHRASES IN ITALICS ARE DESCRIBED IN THE DEFINITIONS SECTION OF THIS PLAN BOOKLET.

Network Vision Care Providers. Anthem Blue Cross Life and Health has contracted with various Vision Care Providers, including vision clinics on some campuses, to provide a network of "Network Vision Care Providers." These providers are called "network" because they have agreed to participate in our network provider program, which we call Blue View Vision Insight. They have agreed to provide insured persons with vision care at a negotiated fee. The amount of benefits payable under this Plan for Out-of-Network Vision Care Providers will be different from, and may be less than, the amount payable for Network Vision Care Providers.

To find a participating Blue View Vision Insight vision care provider, you may call the Member Services at 866-940-8306 or you may also search for a Network Vision Care Provider using the "Provider Finder" function on our website at myucship.org

Out-of-Network Vision Care Providers. Out-of-Network Vision Care Providers are providers which have not agreed to participate in our network. They have not agreed to the negotiated rates and other provisions. You will be responsible for any amounts they charge which exceed the Vision Care Benefit Maximum.

You Vision Care Benefits

How Covered Vision Expense is Determined

Covered Vision Expense is based on a maximum charge for each covered service or materials which the Plan will accept. It is not necessarily the amount a Vision Care Provider bills for the service. Expense is incurred on the date you receive the service or materials for which the charge is made.

Network Vision Care Providers. The maximum covered vision expense for services provided by a Network Vision Care Provider will be the lesser of the billed charge or the Negotiated Rate. Network Vision Care Providers have agreed not to charge you more than the Negotiated Rate for covered services.

If you choose frames or lenses that cost more than the Vision Care Benefit Maximum, you will pay the excess at a discounted price. If you choose vision options that are not covered under this Plan, you will be charged a discounted price.

Out-of-Network Vision Care Providers. The maximum Covered Vision Expense for services provided by an Out-of-Network Vision Care Provider will always be the lesser of the billed charge or the Vision Care Benefit Maximum shown in the Summary of Benefits. You will be responsible for any billed charge which exceeds the Vision Care Benefit Maximum.

You will always be responsible for an expense incurred which is not covered under this Plan.

Vision Care Copayments and Benefit Maximums

After your Copayment is subtracted, benefits will be paid up to the amount of Covered Vision Expense, not to exceed the applicable Vision Care Benefit Maximum. The Copayments and Vision Care Benefit Maximums are set forth in the Summary of Benefits.

How to Use Your Vision Care Benefits

When You Go to a Network Vision Care Provider. To identify you as an insured covered for vision care benefits, you will be issued an electronic identification card. You must present this card to Network Vision Care Providers (which includes your on-campus vision clinic, if any) when you go for your appointment. A Network Vision Care Provider will only charge your Copayment and any charges in excess of the Vision Care Benefit Maximum. When a Network Vision Care Provider bills for covered services, the Plan will pay them directly.

When You Go to an Out-of-Network Vision Care Provider. If you go to an Out-of-Network Vision Care Provider for services, you will have to pay the full cost of the eye examination and/or for any lenses you purchase. You should make copies of the bills and receipts for your own records. Send the receipt with the original bills attached, along with your ID number, to the address below:

**Anthem Blue Cross Life and Health Insurance Company
Blue View Vision
P.O. Box 8504
Mason, OH 45040-7111**

You must send your receipt from the Vision Care Provider with your ID number within 90 days of the date of exam and/or purchase. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

Conditions of Coverage

The following conditions of coverage must be met for expenses incurred for services or supplies to be considered as Covered Vision Expense.

1. You must incur this expense while you are covered under this Plan. An expense is incurred on the date you receive the service or materials for which the charge is made.
2. The expense must be for routine care of the eye and not for surgery or medical care.
3. The expense must be for a vision service or materials included Vision Care That is Covered. Additional limits on Covered Vision Expense are located under specific benefits and in the Summary of Benefits.

4. The expense must not be for a vision service or material listed in Vision Care That Is Not Covered. If the service or material is partially excluded, then only that portion which is not excluded will be considered a Covered Vision Expense.
5. The expense must not exceed any of the maximum benefits or limitations of this Plan.
6. All services and materials must be ordered by a licensed ophthalmologist, optometrist or dispensing optician.

Vision Care That Is Covered

Subject to the Vision Benefit Maximums in the Summary of Benefits, the requirements set forth under Conditions of Coverage and the exclusions or limitations listed under Vision Care That Is Not Covered, the Plan will provide benefits for the following services and materials.

Elective Contact Lenses. You have an allowance per Benefit Year toward cosmetic contact lenses selected in lieu of the eyeglass lens benefit. If you choose contact lenses that cost more than the Plan allowance, you are responsible for the difference in cost. If you choose to receive contact lenses during a Benefit year, no benefits will be paid for lenses during that same Benefit year.

Frames. The Vision Care Provider will assist in the selection of frames, properly fit and adjust the frames, and provide subsequent adjustments to frames to maintain comfort and efficiency. If you go to a Network Vision Care Provider and you choose frames that cost more than the benefit maximum shown under Summary of Benefits: Vision Care Benefit Maximums, your cost will be based on a discounted arrangement.

Lenses. The Vision Care Provider will order the proper lenses necessary for your visual welfare. The Vision Care Provider will verify the accuracy of the finished lenses. Covered lenses include plastic (CR39):

1. Single vision
2. Bifocal
3. Trifocal (FT25-28)
4. Progressive lenses

Benefits include factory scratch coating. Photochromic and polycarbonate lenses prescribed for anyone under age 19 are covered in full. All other coatings, other lens materials and treatments are not covered.

You will be responsible for amounts in excess of the Vision Care Benefit Maximum.

Non-Elective Contact Lenses. Non-elective lenses are provided for reasons that are not cosmetic in nature and have a maximum benefit per Benefit Year. Non-elective contact lenses are covered when the following conditions have been identified or diagnosed:

1. Extreme visual acuity or other functional problems that cannot be corrected by spectacle lenses; or
2. Keratoconus - unusual cone-shaped thinning of the cornea of the eye which usually occurs before the age of 20 years; or
3. High Ametropia - unusually high levels of near sightedness, far sightedness, or
4. Anisometropia - when one eye requires a much different prescription than the other eye.

Vision Examination. A complete initial vision analysis which includes an appropriate examination of visual functions, including the prescription of correction eyewear where indicated. This does not include contact lens fitting fee.

The Plan Administrator will not be liable for benefits if the Claims Administrator does not receive written proof of loss on time. Canceled checks or receipts are not acceptable.

Timely Payment of Claims. Any benefits due under this Plan shall be due once the Claims Administrator has received proper, written proof of loss, together with such reasonably necessary additional information the Claims Administrator may require to determine our obligation.

Payment to Providers. The Plan will pay the benefits directly to Network Vision Care Providers. Also, the Plan will pay Out-of-Network Vision Care Providers directly when you assign benefits in writing. These payments will fulfill our obligation to you for those covered services.

Right of Recovery. Whenever payment has been made in error, the Claims Administrator will have the right to make appropriate adjustment to claims, recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event the Claims Administrator recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, the Claims Administrator will only

recover such payment from the provider within 365 days of the date the payment was made on a claim submitted by the provider. The Claims Administrator reserves the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if the Claims Administrator pays your healthcare provider amounts that are your responsibility, such as deductibles, copayments or co-insurance, the Claims Administrator may collect such amounts directly from you. You agree that the Claims Administrator has the right to recover such amounts from you.

The Claims Administrator has oversight responsibility for compliance with provider and vendor and subcontractor contracts. The Claims Administrator may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

The Claims Administrator has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. The Claims Administrator will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. The Claims Administrator may not provide you with notice of overpayments made by them or you if the recovery method makes providing such notice administratively burdensome.

Workers' Compensation Insurance. The Plan does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Liability to Pay Providers. In the event that the Plan does not pay a provider who has provided benefits to you, you will be required to pay that provider any amounts not paid to them by the Plan.

Renewal Provisions. The Plan is subject to renewal at certain intervals. The required monthly contribution or other terms of the Plan may be changed from time to time.

Financial Arrangements with Providers. Under arrangements with some health care providers and suppliers (hereafter referred to together as "Providers") certain discounts, payments, rebates, settlements, incentives, adjustments and/or allowances, including, but not limited to, vision services rebates, may be based on utilization of specific Providers for specified vision services rendered to all persons who have coverage through a similar vision program provided or administered by Anthem Blue Cross Life and Health or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by Anthem Blue Cross Life and Health or an affiliate in determining its fees or subscription charges or premiums.
