2023-2024 Appication

The Campus Medical Care Assistance Fund (CMCAF) was established to provide financial assistance, in the form of a grant, to UC SHIP students and enrolled dependents who are experiencing significant out of pocket medical expenses due to an unforeseen medical emergency. Grants may be requested for $500 up to the student's campus in-network individual out-of-pocket maximum. If awarded, student must consult a tax professional to determine if grant award is taxable.

- The student must be in good financial standing (no UC student account balance) at the University of California campus, even if the funds are for a dependent's medical expenses.
- Only medically necessary services listed on the CMCAF FAQ are eligible for grant consideration.
- The student must have exhausted all other means of payment with proof of applying for Charity Care with the medical provider of service.
